*is it becoming more obvious today that the thinkers of the post hegelian era were are not able to bear the greatness the immensity of the claims made by the human spirit is our era the era of the faint hearted philosophy celebrating 200 years since the publication of the phenomenology of spirit this volume addresses these questions through a renewed encounter with hegel s thought*

*g w f hegel s first masterpiece the phenomenology of spirit is one of the great works of philosophy it remains however one of the most challenging and mysterious books ever written michael inwood presents this central work to the modern reader in an intelligible and accurate new translation this translation attempts to convey as accurately as possible the subtle nuances of the original german text inwood also provides a detailed commentary that explains what hegel is saying at each stage of his argument and also discusses the philosophical issues it raises this volume will therefore prove invaluable to those who want to get to grips with hegel s thought processes and to follow his complex argument*

*philosophical thinking is interrupted by the finitude of what cannot be named on the one hand and that within which it is subsumed as one of multiple modes of sense making on the other sense and singularity elaborates jean luc nancy s philosophical project as an inquiry into the limits or finitude of philosophy itself where it is interrupted and as a practice of critical intervention where philosophy serves to interrupt otherwise unquestioned ways of thinking nancy s interruption of philosophy van den abbeele argues reveals the limits of what philosophy is and what it can do its apocalyptic end and its endless renewal its sisyphean interruption between the bounds of infinitely replicating sense and the conceptual vanishing point that is singularity in examinations of nancy s foundational rereading of descartes s cogito as iterative his formal experimentations with the genres of philosophical writing the account of retreat in understanding the political and the interruptive play of sense and singularity in writings on the body sexuality and aesthetics van den abbeele offers a fresh account of one of our major thinkers as well as a provocative inquiry into what philosophy can do*

*includes also minutes of the proceedings and report of the president and council for the year beginning 1965 66 called annual report*

*the jesuit review of faith and culture nov 13 2017*
