this book examines the popular yet puzzling chinese saying nande hutu 难得糊涂 to uncover how the ancient chinese wisdom of not knowing is constructed interpreted practiced and valued in contemporary society originating in the calligraphy of qing dynasty scholar zheng banqiao nande hutu translates literally as hard to attain muddle headedness mieke matthyssen traces the historical development of this saying and related philosophies to reveal a culturally conditioned multi layered inclination to different forms of not knowing in contemporary society she argues this inclination forms part of a living art in some respects a passive evasive strategy for self preservation in other respects a strategy for coping with intrapersonal interpersonal and social complexities drawing on an extensive range of primary sources and original research the analysis skillfully combines philosophical and socio historical analysis with theory from chinese philosophy philosophical psychology and the relatively new field of indigenous psychology to provide an in depth understanding of how nande hutu has shaped and continues to shape the chinese psyche and behaviour this book will appeal to all readers looking for fresh insights into chinese culture and in particular to students and scholars of chinese and asian studies cultural and social anthropology and philosophical and indigenous psychology

framing the audience explores the cultural politics of the great depression and world war ii through the prism of art appreciation isadora helfgott interrogates the ideological and political motivations for breaking down barriers between fine art and popular culture she charts the impact that changes in art appreciation had on the broader political social cultural and artistic landscape framing the audience argues that efforts to expand the social basis of art became intertwined with and helped shape broader debates about national identity and the future of american political economy helfgott chronicles artists efforts to influence the conditions of artistic production and display she highlights the influence of the federal art project the impact of the museum of modern art as an institutional home for modernism in america and as an organizer of traveling exhibitions and the efforts by life and fortune magazines to integrate art education into their visual record of modern life in doing so helfgott makes critical observations about the changing relationship between art and the american public

johannes vermeer one of the greatest dutch painters and for some the single greatest painter of all produced a remarkably small corpus of work in vermeer s family secrets benjamin binstock revolutionizes how we think about vermeer s work and life vermeer the sphinx of delft is famously a mystery in art despite the common claim that little is known of his biography there is actually an abundance of fascinating information about

vermeer s life that binstock brings to bear on vermeer s art for the first time he also offers new interpretations of several key documents pertaining to vermeer that have been misunderstood lavishly illustrated with more than 180 black and white images and more than sixty color plates the book also includes a remarkable color two page spread that presents the entirety of vermeer s oeuvre arranged in chronological order in 1 20 scale demonstrating his gradual formal and conceptual development no book on vermeer has ever done this kind of visual comparison of his complete output like poe s purloined letter vermeer s secrets are sometimes out in the open where everyone can see them benjamin binstock shows us where to look piecing together evidence the tools of art history and his own intuitive skills he gives us for the first time a history of vermeer s work in light of vermeer s life on almost every page of vermeer s family secrets there is a perception or an adjustment that rethinks what we know about vermeer his oeuvre dutch painting and western art perhaps the most arresting revelation of vermeer s family secrets is the final one in response to inconsistencies in technique materials and artistic level binstock posits that several of the paintings accepted as canonical works by vermeer are in fact not by vermeer at all but by his eldest daughter maria how he argues this is one of the book s many pleasures
