partha chatterjee a pioneering theorist known for his disciplinary range builds on his theory of political society and reinforces its salience to contemporary political debate dexterously incorporating the concerns of south asian studies postcolonialism the social sciences and the humanities chatterjee broadly critiques the past three hundred years of western political theory to ask can democracy be brought into being or even fought for in the image of western democracy as it exists today using the example of postcolonial societies and their political evolution particularly communities within india chatterjee undermines the certainty of liberal democratic theory in favor of a realist view of its achievements and limitations rather than push an alternative theory chatterjee works solely within the realm of critique proving political difference is not always evidence of philosophical and cultural backwardness outside of the west resisting all prejudices and preformed judgments he deploys his trademark genre bending provocative analysis to upend the assumptions of postcolonial studies comparative history and the common claims of contemporary politics

this book is a study of the political and social structure of late medieval england payling examines the wealth and political influence of a dozen nottinghamshire families who dominated their county during the first half of the fifteenth century his analysis shifts the historical emphasis from the barons at the head of their affinities to the greater gentry as members of well defined shire establishments payling s carefully researched study reassesses the nature of baronial gentry relations and establishes the true extent of the influence of the greater gentry
