The first chapter of the Book of Revelation teaches much about what is happening with John, the true author of this book. He is on the Isle of Patmos, one of the islands in the Aegean Sea. John was banished there after being taken captive and forced to work in the marble mines as a prisoner. His belief and teachings in the Word of Christ caused certain authorities to incarcerate him in their effort to bring his mission to an end. We see that this effort failed because these records and this vision of the revealed will of God were still written and preserved. His work was able to continue while he was yet a prisoner and proved to be some of the most important work he would perform for the Lord. It was there on the Lord's day while John was absorbed with the spirit of God that he suddenly heard a great voice as of a trumpet. This thunderous voice was not Jesus Christ but an angel speaking in the first person for the Lord, saying, "I am Alpha and Omega, the first and the last, and what thou seest write in a book and send it unto the seven churches which are in Asia." (Rev. 1:11) It was the beginning of a glorious vision that was to be preserved to come forth in these last days so that we might interpret for our benefit the wills and mysteries of God and assist us in preparing ourselves for the second coming of Christ.

Behold, I make all things new. It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things and I will be his God and he shall be my son. (Revelation 21:5, 7) Do the mysteries of Revelation just make your mind wander in circles with this simple step by step guide? It will no longer be so puzzling. This book is an

the theme of revealed heavenly mysteries was a commonplace in judaism from which it passed on to christianity markus bockmuehl outlines how this theme developed by showing where ideas of revelation and mystery coalesce an interesting and very thorough study journal of biblical literature a thoughtful and illuminating study of a subject which rather surprisingly in the light of its centrality to the question of christian origins has not hitherto been investigated in detail whereas both revelation and mystery have been studied separately in the context of early jewish and christian literature bockmuehl s original contribution is to examine the interconnectedness of the two ideas journal of jewish studies this book is an excellent contribution to biblical scholarship it synthesizes the light that a biblically based mystery sheds on revelation and revelation sheds on mystery bockmuehl treats admirably many difficult passages and scholarly disputes he develops the progress of biblical understanding regarding revelation and mystery carefully balancing analysis with synthesis a talent that is somewhat rare of late journal of ecumenical studies a most useful study bockmuehl has brought together material from an enormously wide range of primary and secondary literature for which we are greatly in his debt journal of theological studies for single authors like philo josephus and especially paul bockmuehl s studies significantly add to the discussion religious studies review bockmuehl examines the concepts of revelation and mystery not as distinct entities but in their theological interplay the revelation of heavenly mysteries this book s breadth and depth will repay the attentive reader journal for the study of the new testament
